3. To be allowed to ride for a school team, a rider must be a seventh (7th) through twelfth (12th) grade student and be currently enrolled in that school. However, if the junior high school located in Los Angeles County or Ventura County includes grades six, seven, and eight, then a student enrolled in the 6th grade of that school shall be eligible to ride in IEL.

GR101 School Membership and Forms

An eligible school must apply for membership on the official *School Membership Form*, which must be properly signed by an official of the school empowered to do so. This form shall also identify the School Representative, an adult twenty-one (21) years of age or older authorized to represent the member school, and an email address for all newsletters, entry and other forms, urgent notices, show information, rule changes, and other important information that may be transmitted by the IEL for dissemination to the riders (and their trainers). Should the school elect to use insurance offered through the IEL, an additional fee will be determined at the beginning of each season.

NO school will have its membership forms processed without first meeting all the IEL insurance requirements.

General Rule Book

General Rule Book

GR119 Safety Rule

At any time, if a rider seems to be out of control or is a hazard to other riders, the steward or judge may ask the rider to withdraw from the show.

GR120 Tent Rule

Tents must be erected prior to the start of the show and cannot be erected during a competition or at any time a rider is in the ring, which includes warm up rides.

Any school that puts up a tent, i.e., an E-Z UP®, must have a person in attendance on the show grounds at all times that has the ability to take down the tent upon request or announcement. If IEL management requests that a tent be taken down, or if an announcement is made that tents are to be lowered or taken down, the school must comply with the request or announcement immediately. If the tent remains standing after such a request or announcement, or if IEL personnel must take down the tent, the school will not be allowed to have a tent at the following show. If a school is in violation a second time during a season, the school will not be allowed to erect a tent for the following two shows; any such ban will carry over to the following season until complete.

GR121 Dog Rule

No dogs are allowed on show grounds during IEL shows. It is the responsibility of the rider, the rider's family and the rider's trainer to inform guests of this ban. If a dog is discovered on the show grounds, the rider with whom that dog is associated will be disqualified from the show.

GR123 Alcohol Rule

Consuming alcoholic beverages at the IEL horse shows is strictly prohibited. Please report any activity regarding alcohol to the horse show office.

GR124 CDFA Drug Rule

The primary goals of IEL are to support and develop student equestrian athletes, to encourage knowledge of horsemanship and to promote good sportsmanship and team work in a fair and friendly competition. Because of this mission, IEL strongly supports the Equine Medication Monitoring Program administered by the California Drug and Food Administration. IEL will follow the rules as prescribed by the California Drug and Food Administration on drug use in all competing horses/ponies at an IEL horse show. We encourage all IEL riders, trainers and parents to go to the CDFA website to learn more. (http://www.cdfa.ca.gov/ahfss/Animal_Health/emmp/) In accordance with CDFA procedure there may be random drug testing administered by CDFA employees at any or all IEL horse shows. If any horse/pony is found to have a positive result from this testing, the CDFA will contact the owner and trainer of said horse/pony for further investigation. At the conclusion of that investigation, IEL will be notified by the CDFA if the CDFA finds that a violation of the CDFA rules has occurred. If IEL is notified that a horse/pony has been found by the CDFA to be in violation of the California Medication Rule, the rider of that horse will

General Rule Book

forfeit all points accumulated at the IEL horseshow where the sample was collected. IEL will not conduct any independent investigation and will rely exclusively on the findings of the CDFA.

GR125 Equine Vaccination Rule

For all IEL competitions, horses entering the grounds for the show must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months of each show.

IEL follows the USEF Rule with respect to equine vaccinations. IEL will randomly check for documentation showing proof of vaccinations.

Horses not in compliance with this rule may be required to leave the IEL competition grounds upon the request of the IEL Board. For horses, not in compliance with this rule, the IEL Board shall also have the discretion to take any other action necessary to enforce and ensure compliance with this rule, including but not limited to, requiring that a rider and/or a rider's school forfeit certain points accumulated at any IEL show.

GR126 Honoring Disciplinary Action Taken by USEF

IEL will honor any USEF suspension, order or any other disciplinary action against a horse, Exhibitor and/or Trainer.

GR127 Schooling Rules

Schooling will be permitted in designated areas only. The word schooling includes but is not limited to riding, lunging, leading, and exercising. In accordance with California State Law, poling and/or the use of offsets will not be permitted. Violations of schooling regulations may be considered cause for fines and/or elimination.

Official schooling the day before the show shall be posted on the IEL website as soon as the hours are known. Riding outside of these time constraints is done so at the risk of the rider and trainer.

Jumping is allowed in the show rings the day before the show. However, no jumping is permitted as part of the warmup in the show rings on the morning of the show; it is only permitted in the warmup rings.

The Judges' scoring sheets will never be shared with the rider, parents, nor trainers.
